- p) Acknowledges that contracting physicians, hospitals, and other health care providers are independent contractors and are neither producers nor employees of Asuris, that Asuris does not provide health care services, that Asuris cannot guarantee any results or outcomes of care, and that Asuris is responsible for the quality of health care received only as provided by law.
- q) Certifies under penalty of perjury that all information provided and statements made in this application are accurate and complete to the best of its knowledge and belief and acknowledges that Asuris will rely in part on the information in this application as the basis for Asuris' decision on whether to approve this application and issue any group contract(s). It is a crime to knowingly provide false, incomplete, or misleading information to an insurance company for the purposes of defrauding the company. Penalties include imprisonment, fines, and denial of insurance benefits. In addition, Asuris will have the right to collect any claims payments or other damages. If Asuris continues a group contract with the Company after untrue, incorrect, or incomplete information is found to have been provided, and if as a result of correcting false information the Company no longer qualifies for the rate quoted, I understand that Asuris will have the right to adjust the rates to the appropriate level retroactive to the date the misrepresentation occurred, and the Company will be required to pay the rate adjustment within 30 days of the date of notice by Asuris.
- r) Agrees that any controversy or claim between the Company and Asuris arising out of or relating to the group contract(s), or the breach thereof, whether involving a claim in tort, contract, or otherwise, shall be subject to final resolution through binding arbitration.
